# Adhithya Somaraj

Asp.Net MVC Full Stack Developer @ Benzy Infotech Pvt Ltd Kottayam, Kerala, India

## Summary

At Benzy Infotech Pvt Ltd, my role as a Software Engineer leverages my Master's in Computer Applications and proficiency in ASP.NET to create robust solutions. The academic rigor from Rajiv Gandhi Institute of Technology instills in me a methodical approach to problem-solving, vital in crafting innovative applications using Angular and other modern technologies.

Transitioning from TECHNOWAND, where I honed my skills in quality assurance and software testing, to a full-stack development position has been a significant step. This move underscores my commitment to continuous learning and my ability to adapt to the fast-paced tech environment, ensuring the delivery of superior products that meet dynamic market demands.
